

AGREEMENT FOR INSTALLATION OF GPS Protected® GPS SYSTEM

DISCLOSURE STATEMENT TO CUSTOMER PLEASE READ THIS ENTIRE AGREEMENT AND DISCLOSURE • IT DESCRIBES THE REQUIRED PAYMENTS AND THE CONSEQUENCES OF FAILING TO MAKE A PAYMENT.

This Agreement and Disclosure is entered into on this _____ day of _____, 200____, between _____ ("Customer") and Las Vegas Auto Leasing, Inc/LVAL, Inc. ("LVAL") pursuant to their execution of a vehicle financing contract ("Contract") covering Customer's purchase vehicle. This Agreement and Disclosure, when signed below by the Customer and LVAL, is incorporated into and becomes part of the Contract.

The Vehicle comes with an installed GPS Protected® GPS System ("System") which will permit LVAL to locate the Vehicle and can prevent the Vehicle from restarting if a scheduled payment is not received, subject to any grace or cure periods required by applicable law. LVAL requires the installation of the System. By signing this document Customer agrees to the installation of the System(s) indicated and to its use until all Customer's obligations under the Contract are satisfied. When the Contract is satisfied, the System will be removed at no cost to the Customer. The Contract describes the manner and method in which the Customer is to make payment. You may make your payment as indicated below:

**LAS VEGAS AUTO LEASING, INC
901 American Pacific Ste. 150
Henderson, NV 89014**

If Customer's scheduled payments are not received, subject to any grace or cure periods required by applicable law, or as specified by the Contract, the Vehicle will not start. If the Contract is assigned, the holder of the Contract will have all the rights of LVAL under the Contract.

I have consented to installation of the System on the Vehicle. I further understand that I am free to obtain a vehicle from another source that may not require installation of the System. I understand and agree that the System does not belong to me, but rather is the property of LVAL and that LVAL requires the installation of the System on the Vehicle as part of the agreement to finance the purchase or lease of the vehicle. I understand that LVAL has the right to assign its rights, title and interest in the Contract at any time. Assignment of the Contract by LVAL will not in any way affect the terms and conditions of this Agreement or Disclosure Statement or any other terms of the Contract.

As indicated below, I agree that the System is security for all that I owe and all my promises under the Contract. I understand and agree that tampering with, altering, disconnecting or removing the System is considered an event of default under the Contract and if I tamper with, alter, disconnect, or remove the System from the Vehicle, I will be in default and LVAL has all rights and remedies available under applicable law as are available for other types of default, including, unless prohibited by law, any RIGHT TO REPOSSESS THE VEHICLE. Further, I agree that if I tamper with, alter, disconnect, or remove the System, I will be liable for the costs to replace or repair the System, to the extent not prohibited by applicable law. Additionally, I acknowledge that I will be liable for all cost to replace or repair if the vehicle is damaged, sold, transferred or traded in without the removal by LVAL.

I understand and agree that, unless prohibited by state law, if a scheduled payment is not received by LVAL, and any grace or cure period under applicable law, if any, has expired, **THE VEHICLE'S STARTER WILL BE DISABLED AND WILL NOT RESTART** until the payment is received by LVAL.

I understand that only the LVAL or its authorized representatives are permitted to repair and perform maintenance on the System or any of its components. Should maintenance or repair work be required, I agree to make the Vehicle available to LVAL or its authorized representative. I understand that LVAL has full responsibility for the cost of all repairs or replacements of the System, except repairs or replacements caused by my tampering with, altering, disconnecting, or removing the System.

I understand and agree that the installation and maintenance of the System in the Vehicle is a material condition for LVAL to finance the purchase of the Vehicle or lease the Vehicle, and as such constitutes consideration for the terms of the Contract. I hereby agree to hold harmless, defend and indemnify LVAL, Hamilton Resources Co. dba GPS Protected, provider of the System, their agents, employees, contractors, and servants, and each of them, from all claims, demands, causes of action, damages, costs, liabilities or losses, in law or equity, to property or person suffered or sustained by any other person or entity arising out of or resulting from the intended use or termination of the System in the Vehicle. I further agree that, in addition to LVAL's security interest in the Vehicle and any other property specified in the Contract, the System secures all that I owe and all of my promises under the Contract.

I understand and agree that non-public personal information may be disclosed to LVAL, its agents, employees, contractors and Hamilton Resources Co. dba GPS Protected and its authorized non-affiliated distributors and representatives. This information may be disclosed for statistical analysis and as necessary to effect, administer or enforce this Contract or as permitted by law.

I understand that the System will permit LVAL to locate the Vehicle in the event that LVAL needs to do so in order to exercise its rights under this Contract, I waive any right of privacy that I may have in connection with the LVAL's location of the Vehicle. This agreement shall be governed by the laws of the State of Nevada.
